Toys for Tots a Success

The 4th Annual Toys for Tots Holiday Party, held Monday, December 12th at **CityGate Grille**, was very successful! The event was enjoyed by more than 280 supporters and several special guests including: Naperville Mayor George Pradel, numerous uniformed Marines and even Santa Claus!

The Marines assisted in promoting the benefits of the Toys for Tots program and helped to collect a record number of toys and monetary donations. In addition to the approximately 525 donated toys, including everything from teddy bears to bikes, more than \$4,800 dollars was received to support the cause.

A big thanks goes out to all that attended the evening and to those who donated toys, as well as to the event's sponsors: **Calamos Investments**, Naperville Magazine and it's host restaurant, CityGate Grille. A special thank you goes out to the Holiday Party Planning Committee and Dan Creek of Calamos Investments, for his leadership in this annual event and for his dedication to the Marines' Toys for Tots program, which truly makes the holidays bright for many children in need.

Coming Soon

Construction is again underway in the 2155 CityGate Lane building, as **DuPage Medical Group** begins the interior improvements for it's first floor Physical Therapy suite. The new space, Suite 115 will be an expansion of the services that the medical group currently offers within CityGate Centre. The project is expected to be completed in the Spring 2012.
